## Welcome to the March 2015 Newsletter!

There were any reports from the President nor any Committee Members, so its up to the Reporter!

Spring seems to be trying to make an appearance, so let's hope that forward progress continues! I don't know about the rest of you, but I am eager to get some riding time in after all of the cold, snow, and ice we had here all winter long.

We are now under 15 weeks (as of March 7) to the first NDApHC show of the year in Bismarck—and there are a few awesome clinics members can take advantage of between now and then. Be sure to take note of dates on pages 3-4, and page 6; as well as, the fliers at the end of the newsletter. You don't want to miss out!

Also, on page 4, I am requesting some member participation for a new section in our Newsletter, the Member Spotlight. I am looking for some ideas for questions...and you never know who will be tagged! I am hoping this will be a fun thing to get to know some of our members better. I am also working on some sort of fun photo contest for our NDApHC facebook page header image. Watch for details to come!

Feel free to e-mail newsletter submissions to me at anytime and I'll set them aside for the next Newsletter! I do want to send a *huge* thank you to those members that submitted stuff for this Newsletter! We have new horse announcements, Year End award announcements, a couple of clinics….and one of my favorites...foal brags! Please be sure to read through everything—and keep in mind between now and June of any news you would want to share with your fellow NDApHC members!

## Member Spotlight...Coming Soon!

The idea was brought forth to do a Member Spotlight in each newsletter. We are currently collecting suggestions for questions to be included. Do you have any suggestions you would like to see included? So far we have the following suggestions:

- How they calm their nerves before going in for their class
- Tips to help stay organized at a show
- What horse(s) they plan to show, ride, trail ride, etc this season
- What events they plan to attend (shows, trail rides, clinics)
- If a trail rider, where do they plan on riding this year?
- How they got started with horses—and the avenue they currently have chosen
- Their favorite horse
- …..

Any more suggestions? Please send them to: Kristine Ryun
e-mail: info@ryunlivestock.com

## UMC Crookston Report from Nicky Overgaard:

News from the University of Minnesota Crookston Equine Science Program

The UMC Western Women's NCAA Equestrian Team under coach Kayla Krueger finished the season as Reserve Champion Team. Two riders qualified to compete at Western Semi-Finals at Ohio State University on March 21st. Danielle Schelonka, from Little Falls, MN qualified in the Novice Division with Chloe Nelson, from Little Falls, qualifying in the Advanced Division. The Women's Hunt Seat Team is leading the Region in points right now with one show left this upcoming weekend to be held at UMC. Coach Brooke Leininger is pleased to have the top two UMC riders battling for the High Point Rider for the region as well. Riders Emily Steeley from Rhode Island and Sable Bettencourt from Cloquet, MN are two of the top riders from Region 3.

This semesters' Training and Showing class has a large class of 12 students. We are pleased with the quality horses we have acquired from the community. Our horses this semester have come from Bill and Jeanette Cook, Jessie Cook, Trevor and Jennifer Bjerke, Etty Kiemele, Janne Myrdal, Tammy Stoe, Dorothy Kobs, and Debra Hildebrand. It is a wonderful opportunity for students to learn how to train with good minded horses, and for that we are very appreciative! We have also been lucky to have the support of many other breeders from local AQHA and ApHC breeders.

Our Horse Production class has a semester long project learning how to halter break, pick up feet, lead, load, and other ground work with weanlings in the fall and yearlings in the spring. We are using horses from Bill and Jeanette Cook as well as from Janne Myrdal this spring. We have also been very fortunate to have been involved with breeder, Marguerite Miller, in attaining horses for this course as well.

We have a new Equine Reproductive Physiology specialist, Dr. Abdo Alghamdi. He has begun organizing and setting up an equine reproduction lab and is researching seminal plasma proteins. His research includes seminal collection from various stallions and also comprises several students that have been working with Abdo on several different research projects.

The UMC Horse Judging Club has also been setting their sights on attending the MN 4-H Judging Seminar on March 27th and 28th. Students that are also involved with the club are also heading out to Moline, IL from April 6th through the 10th to compete at the 50th annual NACTA Horse Judging Contest. Again, UMC is looking to defend their overall Sweepstakes award and bring home the big trophy that encompasses many Agriculture contests.

Finally, we are very appreciative of all the support we receive from many members of our local horse community. We truly believe that we are training future horse enthusiasts and professionals to become educated owners, judges, trainers, veterinarians, barn managers, instructors, nutrition salesman, and breeders, to just name a few career choices of our alumni. We have purchased and leased horses from many people throughout the region. Many alumn have supported our students through various scholarship endowments. Additionally, we have sent out students to all corners of the globe for additional experience through their Internship involvement.

Thank you to those of you that have contributed to our success. It not only helps our students, but continues to help maintain a viable and sustainable equine industry in northern Minnesota and North Dakota. We continue to attract students from all over the US and from abroad. With my involvement in the NDApHC, we also introduce MANY students and visitors to the wonderful world of spots! Many prospective students, visitors, and current students are pleasantly surprised with our outstanding Appaloosas that we use for our lessons, equestrian team practices and horse shows, and our training program.

**Watch out for Robyn Berg in 2015 undersaddle!!**

From Robyn:

I purchased ANB Charlies Chip from Jeff Ray and will be showing him in the Novice Non Pro classes and maybe some of the Limited Classes. I will be riding him under the guidance of Jeff and Angela Ray. It has been many years since I have shown a riding horse and I am truly looking forward to getting back in the saddle and having fun with all the friends I have made in the NDApHC club!
